

The Public Safety Group

SUICIDE INTERVENTION, 2nd Edition

This interactive three-week course educates public safety call takers in crisis intervention. Topics include suicide attitudes and facts, risk assessment of caller, risk assessment of responder, and call taker intervention.

PREREQUISITES:

Public Safety Communications Experience

BENEFITS OF TAKING THIS COURSE:

After taking this course, you will be able to:

- Understand the attitudes and facts surrounding suicide.
- Understand and employ effective suicide intervention techniques.
- Understand how to assess the level of danger to the caller, responders and innocent people in the area.
- Handle suicide calls more effectively.

WHAT YOU WILL RECEIVE:

- The ability to interact with your peers – discover common problems – find out what is working for them – share information and materials – build a support network of friends in like positions.
- One-on-one mentoring - feedback and assistance from your instructor as you learn how to better handle suicide calls.
- Certificate of Completion awarding **8 training hours** upon successful completion of the course.
